The PTO is respectfully requested to correct the filing date of the above-listed application to and as correctly being October 27, 2000, as on the hand-written note (copy enclosed) of the US post office clerk who accepted on October 27, 2000 the originally filed express mailing envelope with label no. EJ450233984US containing the present PCT application papers, but who refused to give the undersigned a copy of the actual express mail mailing receipt. The post office clerk stated that the receipt would arrive by mail with the same date-in date of October 27, 2000 and not as October 28, 2000. But the hand-written and date-in date on the "Express Mail" mailing label (copy enclosed) that arrived by mail had a false date of October 28, 2000. Please correct the filing date and send a corrected filing receipt.

Respectfully submitted,
Klaus Fieback, et al
